

Erasmus+

Wanted: students going abroad with Erasmus+

If you are an **enthusiastic student** going overseas between mid-September and late October 2014 on an Erasmus+ scholarship, we would like you to come to our BenWeg event!

What is the BenWeg event?

The BenWeg event is being organised to gather the very first cohort of enthusiastic Erasmus+ students together. You are all ready for your big adventure! You probably cannot wait for your overseas trip to start: you will be broadening your horizons, expanding your academic knowledge or building up work experience during your internship. You will also be having an experience that undoubtedly will benefit your personal development!

What's in it for you?

- You will be raising your profile as one of the first Erasmus+ students, which really adds value to your CV!
- The inspiring and informative event in Utrecht will be a chance to meet other students travelling overseas. The event will conclude with a fun drinks party.
- While you are overseas, you will have an opportunity to be guest editor of the WilWeg Facebook page (www.facebook.com/WilWeg).
- You will get to participate in the BenWeg competition, which starts from mid-September. Participants can qualify for some great prizes: 1st prize: a travel voucher worth € 500, 2nd prize a travel voucher worth € 250 and 3rd prize a travel voucher worth € 100. If you win, that will be an immediate good reason to start organising your next overseas internship or study programme!
- On your return to the Netherlands, you will be included on the WilWeg student panel as an experienced expert and will be invited to participate in events and help the WilWeg team organise its plans. As an experienced expert with WilWeg, you will also have the opportunity to give presentations at fairs and events.
